

Community Association Manager needed with Nevada license and at least 3 years' experience in portfolio management. This is not an entry level position. The successful applicant will be responsible for managing, directing, and providing leadership to the staff and overseeing operations of a community association management company that provides management, account, and maintenance services to community associations in the Incline Village, Nevada area.

Applicant must have strong communication skills, detailed knowledge of Nevada law regarding community associations, excellent people skills, ability to work well with others and develop positive relationships with staff, vendors, board members, homeowners and residents and knowledge of accounting, computer, and maintenance processes.

Salary range is \$55,000 to \$75,000 annually

Qualified candidates please send your resume and a cover letter to pleoncio@integrityattahoe.com
