

TEN REASONS TO VOLUNTEER FOR THE ASSOCIATION

- I. To protect your self-interests, protect your property values and maintain or improve the quality of life in your community.
- II. To correct a problem. Has your car been towed, or do you think may maintenance has been neglected? Remember that any decisions that you help the Board to make cannot be self serving, but rather in the best interest of the whole.
- III. To be sociable. Meet your neighbors, make fiends, and exchange opinions.
- IV. To give back. Repay a little of what's been done for you.
- V. To advance your career. Build your personal resume by including your community volunteer service.
- VI. To have some fun. Association work isn't all drudgery. It is fun accomplishing good things with your neighbors and knowing that you are working to protect all of the property values.
- VII. To get educated. Learn how it's done. The Association will train you.
- VIII. To express yourself. Help with creative projects like community beautification or social events.
- IX. To earn recognition. If you would like a little attention or validation, your contributions will be recognized and celebrated. (Be sure that at the annual meeting of members that recognition is given to all volunteers.)
- X. Try some altruism. Improve society by helping others.
